

Jill Moschelli, MD, MBA, CAQ-SM, FAAP is the MSU Health Care Sports Medicine and Orthopedic Center Clinical Director and has been providing care at MSU Health Care since 2019.

After earning her medical degree at the St. Matthews University Medical School in Grand Cayman, Moschelli completed her family medicine residency at Wayne State University School of Medicine in Rochester, MI. She then continued on to a fellowship in sports medicine through the Dartmouth-Maine Family Medicine Residency program in Augusta, ME.

Moschelli is also the program director of the Sparrow/MSU Sports Medicine Fellowship and team physician for Michigan State University Athletics. Prior to joining MSU, she was the program director of the Sports Medicine Fellowship at United Health Services and team physician for the NCAA Division I Binghamton University Bearcats.

Moschelli is actively involved in sports medicine at a national level with both the American Society of Sports Medicine and the American College of Sports Medicine. She is involved with multiple committees with each of these organizations. She also sits on the Board of Directors for the Mid-West Regional Chapter of the American College of Sports Medicine.

Her interests include the full breadth of sports medicine, with particular interests in female athlete concerns, pediatric sports injuries, and overuse injuries. She regularly incorporates diagnostic ultrasound and ultrasound-guided procedures into her practice. She is also an Assistant Professor at MSU College of Osteopathic Medicine and College of Human Medicine and is actively involved in teaching the medical students.
