

Nathan Fitton, DO

MSU HealthTeam extends a warm welcome to our newest faculty member, Dr. Nathan Fitton. A graduate of the College of Osteopathic Medicine at MSU, Dr. Fitton completed his Family Practice residency with Metro Health Hospital in Grand Rapids, where he was appointed chief resident his last year of residency. Dr. Fitton is fellowship-trained in Sports Medicine through MSU.

As an area native, Dr. Fitton grew up in the Greater Lansing community, graduating from Potterville High School. As part of his training, he has covered several types of sports events across the state. From high school and college football to AHL Hockey and international running events to serving as a head team physician of MSU varsity athletics.

Dr. Fitton joins our multi-specialty group as a board-certified Primary Care Sports Medicine provider. He is adding to our complement of 260 providers performing cutting-edge research, teaching medical and nursing students, and providing exceptional care to the Greater Lansing community.
