Colton Prudnick, DO

MSU HealthTeam would like to extend a warm welcome to one of our newest faculty members, Colton Prudnick, DO. After earning his medical degree at the West Virginia School of Osteopathic Medicine, Prudnick completed his residency in urological surgery at Sparrow Hospital in Lansing, MI.

Prudnick’s clinical interests include surgical and medical management of kidney stones, men’s sexual health, testicular, bladder, kidney and prostate cancers. He has a strong interest in integrating advanced technology in his medical and surgery practice, making him a great asset to MSU Urology. Prudnick is a member of the Michigan Urological Surgery Improvement Collaborative (MUSIC) and has presented his research at national urology conferences.

He joins our multispecialty group as a urological surgeon. He is adding to our complement of 260 providers performing cutting-edge research, teaching medical and nursing students, and providing exceptional care to the Greater Lansing community.
