MSU HealthTeam WELCOMES

Christine Sims, DO

MSU HealthTeam is excited to introduce our newest team member, Dr. Christine Sims. A dedicated Spartan, Dr. Sims received her undergraduate and medical degrees from Michigan State University. She is delighted to continue her Spartan journey by joining MSU Pediatrics. She is a new mom herself and a strong supporter of newborn breastfeeding. Dr. Sims would like to erase the negative stigma surrounding breastfeeding while advocating for new moms. She is looking forward to starting long-term relationships with families in the area and helping children achieve their full potential.

Dr. Sims joins our multi-specialty group as a board-certified Pediatrician. She is adding to our complement of 260 providers performing cutting-edge research, teaching medical and nursing students, and providing exceptional care to the Greater Lansing community.
