Follow these 4 easy steps to register at home

1. Go to MyMSUHealth.hc.msu.edu. Click Sign up today to create a new account.

2. Enter your name, date of birth and contact information. If you are registering as a Family Member, input the Patient’s Information here.

3. We will send you a temporary passcode by email, call or text. Enter the temporary passcode.

4. Create your new password. Your password must be 8-20 characters and include one upper and one lower case letter and one number or symbol.
Here’s how to add a patient portal button directly onto your device’s home screen:

Apple Devices

1. Launch your Safari browser and click on the patient portal link that we sent you, or visit MyMSUHealth.hc.msu.edu.

2. Tap the Share button located in the browser’s toolbar.
   - iPhone: Center of browser bar at bottom of screen
   - iPad: Center of browser bar at top of screen

3. Tap the Add to Home Screen button. You’ll be prompted to name the button, we suggest “My Doctor’s Office”.

4. The button will now appear on your home screen. Place it wherever you’d like by dragging it, just like any app icon.

Android Devices

1. Launch your Chrome browser and click on the patient portal link that we sent you, or visit MyMSUHealth.hc.msu.edu.

2. From the drop-down menu located in the top right corner of the browser, choose Add to Home Screen You’ll be prompted to name the button, we suggest “My Doctor’s Office”.

3. The button will now appear on your home screen. Place it wherever you’d like by dragging it, just like any app icon.

Now, your patient portal is just one tap away.
